## WHAT IS THE MOTOR VEHICLE HELP DESK?

The Jamaica Civil Service is pleased to introduce our newest member benefit “JCSA’s Motor Vehicle Help Desk. The motor vehicle help desk is designed to assist our members in importing their very own motor vehicle from reputable suppliers with a 0% profit margin. Through partnerships with First Heritage Co-operative Credit Union Ltd, GBI imports and Jamaica Cooperative Insurance Agency. The initiative promises to be hassle free and cost efficient. The Help desk is committed to bearing the hassle of importing, clearing, insuring, and conducting transactions with Tax Administration Jamaica and other related entities.

Additionally, FHC through the partnership is willing to lend members up to four million dollars at 8% interest per annum to cover the complete cost of acquiring, clearing the vehicle, and other associated costs. Simply put, members pay nothing out of pocket until they have received their vehicle. JCSA will also facilitate the process for members who wish to fund the initiative independently.

We encourage members to take full advantage of this benefit to save members \$500,000 to \$1,500,000 in vehicle acquisition.

As per government policy vehicles being imported must not exceed 5 years and must be road safe.
